

In-Kind Donor Benefits and Recognition

Material/Service Supplier Donor Wall

The Center will contain two donor recognition walls: one for capital campaign contributors and one for in-kind donations.

Donor Resource Guide

We will have a printed donor resource guide that exclusively highlights by category all the products and services contributed to the realization of the Center. That same guide will be placed on the Center's website so it can be accessed in PDF format by anyone via internet.

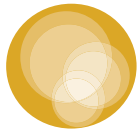

Listed on *aianc.org* with link to Company's site

The Center will have its own special home page on the AIANC website throughout the project's development. In-Kind contributors will be listed on the front of this page as they make contributions.

All AIANC Publications Listing

All of our In-Kind contributors will be listed in our publications from the date of their contribution until one year after completion, including AIANC's weekly electronic newsletter *News & Notes*, and the magazine *North Carolina Architecture*.

Company Logo on Center's Website

The new Center for Architecture and Design website will feature a contributor page including your company logo and a link to your website.

Invitation to Center's Grand Opening

All In-Kind contributors will be assured a special invitation to the Grand Opening Celebration- sure to be Raleigh's most anticipated event.

Company Literature in Chapter Library

The AIANC offices within the Center will house the Chapter Library. Members will be able to house their firm portfolio in this space. In-Kind contributors will be extended the same invitation.

Complimentary Meeting at the Center

Everyone contributing to this unique venue will certainly want to display their handiwork. AIANC invites all of our In-Kind contributors to use the new meeting space at least once during the first two years of operation, free of charge.

Allied AIA Membership

We would like to extend the benefits of affiliate membership in the AIANC chapter for two years following the completion of the Center.

Interactive Building Exhibit

One of our exciting exhibits is an electronic interactive display that will be used as a teaching tool within the Center. We will use this exhibit to highlight our contributors for building systems and products.

Membership Mailing Labels

To further your relationship with the architects in North Carolina, our In-Kind donors will get access to up to three sets of current mailing labels for our members or firms.

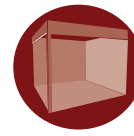

Technical Article Placement in *News & Notes*

For contributors that offer technical articles on their products and services, we would like to make our electronic newsletter *News and Notes* available for publishing at least one article link.

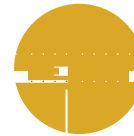

Banner Ad for Donations over \$50,000

For our In-Kind contributors that supply the Center with products and services valued over \$50,000, we will offer banner ad placement in our *News & Notes* weekly newsletter, along with a complimentary banner ad to be displayed for two months on the Center's homepage.

Priority Booth Selection at AIANC Conference

Donors will receive priority selection for booth purchase for the AIA North Carolina Design Conference in 2010 Asheville and 2011 Raleigh.

Use of Special Center Donor Logo

Donors will be given a graphic file with a specially designed AIANC Center for Architecture and Design logo to be used exclusively by our donors.

Professional Photography Agreement

The Center will be professionally photographed once construction is complete. Contributors will receive available photos of the Center with their product or service highlighted for marketing purposes. Photos will come with a photographer credit/copywrite agreement.
